

## How do you subscribe to shares in Clean Industry Solution Holding Europe AB's rights issue??

### Are you not a shareholder?

If you are not a shareholder in the company, you will not receive subscription rights. In that case, you can either buy subscription rights on the market and then use them for subscription or subscribe for shares without the support of rights. There are two options for subscribing for shares without rights: either you contact your bank and subscribe for shares directly through them, or you subscribe directly on Nordic Issuing's platform: <https://minasidor.nordic-issuing.se/>.

The subscription period runs from September 12, 2023, to September 26, 2023, but please note that some banks may close their subscription period earlier.

### Do you already own shares and have received subscription rights?

#### Are your shares held at a bank?

Subscription and payment should be made according to instructions from your respective bank. Please note that when subscribing with preferential rights through a bank or custodian, this should be done early in the subscription period as each bank may set different deadlines for the last day of subscription.

#### Are your shares held directly in a VP account?

In that case, you can subscribe by making simultaneous payment according to the pre-printed payment form attached to the subscription document. If you wish to subscribe for a different number of subscription rights than what is stated on the pre-printed subscription document, you should complete the subscription on Nordic Issuing's platform at <https://minasidor.nordic-issuing.se/>.

*Please note that subscriptions to an investment savings account (ISK) or a capital insurance account (KF) must be made through the bank or custodian managing the account.*

If you have any further questions, please feel free to contact Nordic Issuing via email at [info@nordic-issuing.se](mailto:info@nordic-issuing.se) or by phone at +46 40- 632 00 20.
